Shine Choir..

The Shine Choir is a group of vibrant singers and musicians who are committed to worshipping our Lord through music and song. The members are from a range of denominations coming together with a desire to share the Gospel, lead others in worship and to share God's love with all they meet. We meet on Tuesday's from 7:30-9:30pm at Unley Salvation Army (70 Marion St, Unley).

A key aspect of the choir is its sense of community, taking a wholistic approach to caring for its member and nurturing their individual gifts and talents.

Our mission/vision - in part is to inspire communities and congregations from around the world to step out in faith and to radically impact the lives of individuals with the Gospel.

This is done through:

- Visiting churches (both local and interstate)
- Community events
- Performances
- Sale of our CD's

Shine choir is a ministry inspired by God...
Who knows what he has in store for us next!
